Each investigator shall have a minimum of 2 years investigative experience out of the preceding 5 years.

An investigator may not hold an active license issued pursuant to this Act or have any fiduciary interest in any business licensed under this Act. The State Fire Marshal shall notify the licensee whose license has lapsed, within 30 days after the discovery by the State Fire Marshal that the licensee is practicing without a current license, that the individual, person, or distributor is acting as a fire equipment distributor or employee, as the case may be, without a license, and the amount due to the State Fire Marshal, which shall include the lapsed renewal fee and all other fees required by this Section. If after the expiration of 30 days from the date of such notification, the licensee whose license has lapsed seeks a current license, he shall thereafter apply to the State Fire Marshal for reinstatement of the license and pay all fees due to the State Fire Marshal. The State Fire Marshal may establish a fee for the processing of an application for reinstatement of a license that allows the State Fire Marshal to pay all costs and expenses incident to the processing of this application. The State Fire Marshal may waive the fees due under this Section in individual cases where he finds that the fees would be unreasonable or unnecessarily burdensome.

(b) Each licensee whose conduct is the subject of a formal charge that seeks to impose disciplinary action against the licensee shall be served notice of said formal charge at least 30 days before the date of the hearing, which shall be presided over by a hearing officer authorized by the State Fire Marshal. (6) that a hearing officer authorized by the State Fire Marshal shall preside at the hearing and following the conclusion of said hearing shall make findings of fact, conclusions of law, and recommendations, separately stated, to the State Fire Marshal as to what disciplinary action, if any, should be imposed on the licensee; and

(7) that the State Fire Marshal may continue such hearing.

(d) The hearing officer authorized by the State Fire Marshal shall hear evidence produced in support of the formal charges and contrary evidence produced by the licensee, if any. At the conclusion of the hearing, the hearing officer shall make findings of fact, conclusions of law, and recommendations, separately stated, and submit them to the State Fire Marshal and to all parties to the proceeding. Submission to the licensee shall be considered as having been made if done in a similar fashion as service of the notice of formal charges. Within 20 days after such service, any party to the proceeding may present to the State Fire Marshal a motion, in writing, for a rehearing which written motion shall specify the particular grounds therefor.

(e) The State Fire Marshal, following the time allowed for filing a motion for rehearing, shall review the hearing officer's findings of fact, conclusions of law, and recommendations, and any motions filed subsequent thereto. After review of such information the State Fire Marshal may hear oral arguments and thereafter shall issue an order. The report of findings of fact, conclusions of law, and recommendations of the hearing officer shall be the basis for the State Fire Marshal's order. If the State Fire Marshal finds that substantial justice was not done, he may issue an order in contravention of the findings of fact, conclusions of law, and recommendations of the hearing officer.
